SUPPORTING ESSENTIAL SERVICES

SAN DIEGO COUNTY CHILDCARE PROVIDER GRANT PROGRAM

On August 4, 2020 the San Diego County Board of Supervisors unanimously voted to distribute \$25 million of CARES Act funding to child care providers in San Diego County who are offering essential services to local families during the COVID-19 pandemic. Funds were earmarked to help support staffing, supplies, mortgage and rental assistance, business resilience, and capital improvements for outdoor areas. Licensed Family Child Care Homes, licensed Child Care Centers, and legally license exempt Child Care Centers were all eligible for funding.

The County partnered with The San Diego Foundation, YMCA of San Diego County Childcare Resource Service, and Child Development Associates to manage the application, verification, and grantmaking process. The following data summarizes YMCA CRS's efforts as of December 1, 2020.
