

Endowment Horizons Presents
Planned Giving for a Strong Today, Tomorrow and Forever

This ONLINE Planned Giving Program is **designed to guide and support nonprofit organizations as they revive, enhance, or begin building strong planned giving programs** that will ultimately provide stable, current and long-term support for their critical work in the community.

SIX –WORKSHOP TRAINING WEBINAR SESSIONS

The sessions **focus on three significant areas: external relationships (development and marketing), internal systems / organizational structure, and leadership.**

SIX – INDIVIDUALIZED COACHING WEBINAR SESSIONS

The most effective ways to implement lessons after a workshop session is **to provide follow-up and technical assistance through coaching**, customized for your organization. **Coaching sessions are held between workshop sessions.**

TWELVE – BI-MONTHLY WEBINAR SESSIONS TO SHARE SUCCESSES AND CHALLENGES

Peer Group sessions of sharing successes and challenges allows you to hear what others are experiencing, share your challenges and successes, and ask questions through live online sessions offered twice each month.

DAILY SUPPORT!

Customize your Planned Giving Program NOW!

This new program includes participation in the training sessions, coaching sessions, peer groups sessions, and program materials. Each organization is welcome to invite as many staff as possible, board, and committee members who may benefit to join us. For more information contact:
